The Jacksonville Breakers are an all-women's amateur ice hockey team, playing weekly games at Skate World in Jacksonville, Florida. As members of the Florida Women's Hockey League (FWHL), we also travel to tournaments for events against other teams from around the Southeast.

In our inaugural season in the league (2003-2004), we finished our season with a record of 11-1-1. Moving up to the "C" division for the 2004-2005 season, we finished with a winning record of 7-5-4, and won the League Championship title in February, 2005. For the 2005-2006, we expanded our coverage in the FWHL by fielding players not only in the "C" division, but also in the "Rec" division, and will continue with these two rosters for 2006-2007 season.

**This season we will be hosting a FWHL tournament here in Jacksonville, on October 20-22.**

**We anticipate hosting 10-12 women's teams from throughout Florida and other parts of the Southeast.**

**In addition, we expect media coverage of our event in the Florida Times Union and on local TV, generating great fan attendance at the games.**

**To help make this tournament a success, we are currently soliciting donations of goods and discounted services for the players. If you are able to help, we will acknowledge you on our list of donors, to be displayed at the rink during the weekend.**
